School Priority Month Resolution Acknowledgement of Engagement

Whereas the system of Texas Public Education is founded on the principle of necessity for a prosperous society and for individual opportunity; and

Whereas the success of our local public schools is dependent on the axiom of community engagement and a shared responsibility; and

Whereas the collective efforts by parents, educators, and the community foster the opportunities for student success; and

Whereas these accomplishments represent the fabric of local education, therefore;

Be it resolved that as a biennial event, the Veribest Independent School District hereby acknowledges the value of engagement by inviting into our local schools a representation of elected officials from all levels of government during the month of October, 2016; and

Be it resolved that this engagement period known as 'School Priority Month' provides a pathway for honor, respect, and communication between our elected officials and our local public schools; and

Be it resolved that beneficial experiences are shaped as our public officials observe and interact with students and educators alike; and

Be it resolved that these engagements create new partnerships with our public officials and foster long-term meaningful relationships for the benefit of our future – our children.

We hereby adopt this School Priority Month Resolution as an acknowledgement of engagement on this 19th day in the month of September, during the year of 2016 by the Veribest ISD Board of Trustees.

_____, Presiding Officer

_____, Secretary
