

The survey below provides the community an opportunity to rate the school district in a variety of areas. If you feel the school district has excelled in the area mark “Exemplary”, if you feel the school district has not excelled in the area mark “Recognized, Acceptable, or Unacceptable”, if you feel you do not have enough information to make a selection mark “N/A”. The results of this survey will be used to identify areas that need improvement and to set future goals for the district.

Category	Description	Rating
